

Save the Date – Savor the Experience
Wednesday August 4th, 2010 Marriott Downtown Memphis

FLY-SISTER-FLY!

Please join us at the 5th Annual Fly-Sister-Fly Empowerment Breakfast as we celebrate the 15th Anniversary of the Bessie Coleman Foundation, Inc (BCF). This shall be the most important conference of women of color who enjoy careers in aviation and aerospace!

Because Queen Bess flew at the Memphis Tri-State Fair on October 12, 1922, this venue is very special to BCF and to the citizens of Memphis. In fact, her historic flight is archived at the Memphis International Airport.

This is one convention that you can not afford to miss!

This BCF Event Is Supported By the Organization of Black Aerospace Professionals (OBAP) and the Black Flight Attendants of America (BFAOA).
